NIC 01184-84

21 February 1984

NOTE FOR: DDCI

FROM: John Horton  
NIO/LA

According to a caller from DIA, the Air Force Academy is putting together a conference, probably in Colorado Springs, in mid-June on careers in intelligence. A Captain (Doctor) David Tunsall is pulling the course together and wants to send a letter to the Agency inviting us to take part. I suggested that the invitation be directed to you on the caller's statement that several elements in the Agency would be asked to take part and that the Academy is putting a good deal of effort into the conference.
